

## HIGH PERFORMANCE THROTTLE BODY INSTALLATION INSTRUCTIONS

**Part Number: D760-3600A**

<b>Applications:</b>	2004-05 545i	2004-06 X5 4.4i
Valvetronic	2005 645i	2005-06 X5 4.8i
	2003-05 745i, iL	

**Please Note: Check the Dinan throttle body for a “V” stamped on the casting. If there is no “V” stamped on the throttle body, stop and call Dinan before you proceed with the installation.**

Some mechanical skill is required to install this throttle body. Proper installation of this throttle body also requires complete understanding of the recommended BMW throttle body removal procedure for your vehicle. If you are not familiar with this BMW procedure, we strongly recommend that you arrange for a qualified BMW repair facility to perform this installation.

If you encounter any difficulties during installation, or if these instructions are not clear to you, please call Dinan Engineering's Technical Support Staff @ (408) 779-8584.

### **INSTALLATION:**

- I. Remove and install the original throttle body following recommended BMW procedure for throttle body replacement.
